

A hand-drawn diagram on blue graph paper. The diagram consists of a large, roughly circular shape defined by a black line. The shape is slightly irregular, with a small notch at the top right and a small protrusion at the bottom right. Inside the shape, the text "Sitzfläche 3" is written in black. There are two small circles, one near the top right notch and one near the bottom right protrusion, possibly representing fasteners or mounting points.

Sitzfläche 3
